

GISELA MAIER

SUMMER COLLECTION

(DE) Unser schönstes Accessoire

Die Perücken der Sun-Collection von Gisela Mayer Hair haben viel zu bieten: Hochwertige Tressenverarbeitung, feines Monofilament das am Wirbel durchschimmert und natürlich Lace-Ansätze, die harte Kanten am Haaransatz verhindern. Die Perücken gibt es in unzähligen angesagten Farben von Platin über Grau bis Kupferrot, mit eleganten blonden Strähnchen oder brünett durchgefärbt. Die Styles sind so abwechslungsreich wie die Farben: eleganter Lady-Diana-Look, hippe Pixies, rockige Kurzhaarfrisuren mit spitzen Sideburns oder romantische ultralange Wellen.

Es lebe die Vielfalt, Sie haben die Wahl.

(EN) Our most beautiful accessory

The wigs of the Sun Collection by Gisela Mayer Hair have a lot to offer: High-quality wefts, fine monofilament which shines through at the whirl, and of course lace attachments that prevent hard edges at the hairline. The wigs are available in countless trendy colours from platinum to grey to copper red, with elegant blonde highlights or dyed brunette. The styles are as varied as the colours: elegant Lady Diana look, hip pixies, rocky short cuts with spiky sideburns or romantic ultra-long waves.

Long live diversity, the choice is yours.

(FR) Les perruques de notre collection

Sun présentent de nombreux avantages: un montage sur tresse de qualité, une fine micro peau sur le dessus qui se reflète discrètement et bien sur le filet cinéma ou lace qui empêche le frottement des cheveux. Ces modèles sont disponibles dans des couleurs modernes qui vont du platine au gris en passant par le roux , avec d'élégantes mèches blondes ou brunes. Les styles présentés sont aussi variés que les couleurs, style élégant Lady Diana, hippe Pixies , coupes courtes rocky aux pointes sideburns ou coupes romantiques cheveux ondulés longs.

Vive la diversité ! A vous de choisir !

(ES) Nuestro accesorio más bello

Las pelucas de la colección Sun de Gisela Mayer Hair tienen mucho que ofrecer. Una elaboración en trama de alta calidad, un monofilamento fino que brilla a través de la coronilla y, por supuesto una base que evita los bordes duros en la línea de la raíz del cabello. Las pelucas están disponibles en innumerables colores de moda, desde platino hasta gris y rojo cobre, teñida con elegantes reflejos rubios o morenos.

Los estilos son tan variados como los colores. Elegante look Lady Diana, Hippi Pixies, peinados cortos roqueros de punta, Patillas u ondas románticas extra largas.

Viva la diversidad. Tú eliges.

(IT) Il nostro accessorio più bello

Le parrucche della Sun-Collection di Gisela Mayer hanno molto da offrire: alta qualità della lavorazione tessitura, raffinato monofilo che brilla e naturalmente il Lace Frontale, il quale aderisce bene alla fronte. Le parrucche sono disponibili in innumerevoli colori di tendenza dal platino, al grigio, fino al rosso rame, con eleganti riflessi biondi e tanti castani. Gli stili sono vari come i colori: elegante Lady-Diana-Look, i moderni pixie, tagli corti ricci con basette Sideburns o romantiche onde ultra lunghe.

Vivere la diversità, la scelta è vostra.
